

Higher Visions for Education Scholarship Application

Thank you for your interest in the Rocky Mountain Down Syndrome Association's Higher Visions life skills classes. Higher Visions is designed to help participating students gain needed skills that will help them be more engaged, safer, and included in their communities. Through these classes it is our goal that the students will also gain self-esteem that helps them live empowered lives.

The cost of the classes is \$250 per quarter. Scholarships are available upon request.
