

# Higher Visions For Education

## Citizenship & Community Participation

Quarter Four 2016

### Week 3 Summary

We had a great week discussing various technology devices and apps (texting, email, Facetime, Evite) and the various ways they can be used safely and appropriately to maintain friendships and make social plans. In an ironic twist of fate, our guest speaker was unable to be with us in person on Thursday night, so we used technology (Skype) to hear from him. The students really enjoyed video chatting and asking Gilby questions about safe technology use. Students also worked as a group to create Evites for the end of semester holiday potluck. Keep an eye out for the link next week.

This week, we will be introducing our 2016 Thanksgiving food drive and rehearsing a script to ask friends and neighbors for donations.

We are very excited for our [upcoming quarter](#) and the many fun activities we have planned to experience and enjoy citizenship and community giving.

Save the date for our holiday gift exchange potlucks planned for Wednesday, 12/14 and Thursday, 12/15. Also note that we will not have class the week of Thanksgiving, 11/25 and 11/26. We will have our regular January winter recess and will resume with Quarter 1 of 2017 on Feb. 3 and 4.

**See you soon!**
