

Higher Visions For Education

Artful Expression and Creativity

Fall 2017

Week 5 Summary

We had a great time in class this week finishing and framing our art projects that we have been working on the past few weeks. Students applied their finishing touches to both their water-color landscape scenes and their colorful self-portraits. It took some hard work and focus to get the projects completed, but they turned out great!

Don't forget to save the date for our art show opening at the Access Gallery on Santa Fe Dr. in Denver, the evening of Friday, October 20th. This will be an exciting and fun event with catered food and drinks sponsored by RMDSA. The art show reception will be in place of a potluck for this quarter.

If your student and/or family would like to walk with HVE and YPB for the Step Up walk, please register them on our [team page](#) so we know who is coming.
