

Quarter 4, 2017 Week 7 Summary

It was a great week with students full of energy and enthusiastic participation. We continued using the iPads and projectors for check-in this week, targeting social, presentation and technology skills. Students also really enjoyed exploring and using the Recipe Keeper app to browse and save recipes from the internet. Thank you to David M. who cooked and brought in a queso dip this week, inspiring students to find and add the queso dip recipe to their own apps!

We also created cards for our gift exchange partners and reviewed the guidelines for our Secret Gift Exchange taking place during the potluck parties next week on Dec. 13/14:

- Spend between \$10-15
- Bring the gift wrapped, with the person's name on it, to the potluck
- Use the provided preference sheet to choose a gift the person will like
- Keep your person a secret!

As always, friends and family are invited to join us for the potluck. Please bring a dish to share.

For those students using their own iPads, the apps we have downloaded so far are:

- | | |
|------------------------|----------------|
| -5 minute yoga | -Recipe Keeper |
| -Time2brush | -YouTube |
| -Stop, Breathe & Think | |

So far this quarter we have practiced several skills on the iPad, including:

- | | |
|---|--|
| -Setting a reminder | -Reading and sending messages |
| -Searching YouTube for videos, including fitness videos | -Connecting to the DU guest wireless |
| -Finding and using the camera | -Navigating and making entries into the Calendar |
| -Using the Photos feature to look through photos you have already taken | -Opening and using the Notes feature |

Feel free to email Sally with any questions about logging into the iPad. The login codes are all currently set to 1111, unless your student selected to change theirs.
