

**Quarter 1, 2017
Week 1 Summary**

Dear Students and Families,

Thank you for a successful first day of HVE@CC!

After greeting new and old friends then settling in for our first evening together, the students paired up with CC students and myself to make name cards and get to know each other. Afterward, each CC and HVE student had the opportunity to share something about their partner with the entire class.

Next we discussed the purpose of HVE and the role of the CC students. I also provided an overview of the topics we will cover this year and reviewed the student expectations for participation (please click here to review).

Lastly, the students toured the Worner Center to become familiar with their new program space. Everyone enthusiastically participated in the evening's activities and many offered helpful questions and comments.

****TO DO:** Please have your student bring a small 3-ring binder (1-1/2 inch) with loose-lined paper and a pen or pencil to class each week. In addition, they may bring in a healthy, easy-to-eat snack and drink each week.

I enjoyed meeting each of you and look forward to a fun-filled year of learning and building friendships!

Warmly,

Linda
